Oro Grande to Receive Nearly \$54,000 for Park Improvements

SAN BERNARDINO – At the request of Supervisor Brad Mitzelfelt, the San Bernardino County Board of Supervisors today approved a \$53,779 contract with Trinity Construction of Blue Jay to upgrade and replace Oro Grande Park's irrigation system, and to install a new concrete walkway and basketball hoops.

"Oro Grande Park has an antiquated irrigation system and its infrastructure is in desperate need of repair and replacement," said First District Supervisor Brad Mitzelfelt. "This project will significantly improve the park's amenities and provides additional recreational features for local residents."

Today's funding comes from a \$100,000 allocation obtained by the County from the 2002 Resource Bond Act, Roberti-Z'berg-Harris (Prop 40 Bond Act), specifically designated for the Oro Grande Park renovation project. Oro Grande Park is operated and maintained by the San Bernardino County Special Districts Department – County Service Area 42.
